7. Anyone who wishes to participate in the Junior Fair, who is not a current Livingston County 4-H member, must be between the ages of 8 and 18 as of September 1 of the previous year and must purchase a Junior Exhibitor Pass.
8. To participate in the Ag Fair Livestock Sale, the 4-H member must be a Livingston County Community Club 4-H member and show the project in the corresponding 4-H project area at the current year 4-H show, and abide by all aspects of the General Rules and Regulations section in addition to the rules in the Ag Fair Livestock Sale Rules.
9. No stall fees will be collected for any livestock projects.
10. **All Livestock exhibits must be in place between 5:00 and 9:00 P.M. on Tuesday including poultry and rabbits. Please do not bring your animals to the fairgrounds before 5 P.M., Tuesday. Junior Fair entrants whose parents are livestock superintendents may arrive and unload at the fair at 4:00 P.M. prior to the regular 5:00 P.M. entry time because of activities associated with their duties as superintendents.**
11. The time of judging for the various classes is listed under the rules for each class.
12. **No exhibits will be released until after 3:00 P.M. on Saturday.** Any exhibitor who removes their exhibits from any building before this time, without permission of the Livingston County Agricultural Fair Association Officials, will forfeit ALL premiums and trophies won. All livestock pens must be cleaned out and inspected by the superintendent before the exhibits are released.
13. All purebred animals shown will be registered in the name of the person making the entry, by June 1 of the current year. Registration papers will be checked by the livestock superintendent before the animal is exhibited.

All protests must be filed in person by the exhibitor filing the protest.
18. In order to promote the safety and welfare of all involved in and/or attending the Livingston County Junior Fair, **no traffic will be permitted in the building area of the grounds at any time during the 4 days of the fair.** All drives shall be open to serve as fire lanes in compliance with the request of the State Fire Marshal. Display vehicles and exhibition farm machinery will be the only equipment allowed within the confines of the building area. Fire, emergency, police, and commercial food supply vehicles will be the only ones permitted to move within the building and exhibit area.
19. **No livestock trucks or trailers will be left parked on the fairgrounds during the duration of the Livingston County Junior Fair.** The removal of these vehicles is necessary to provide for parking during the duration of the fair, enhance

the security of the fairgrounds during the fair, and make the 4-H Park an easier area in which to move and work during the fair. **No livestock trucks or trailers will be allowed behind the barns on Saturday until the sale is completed. This is a safety precaution for all fairgoers and exhibitors.**

20. The Board of Directors of the Livingston County Agricultural Fair Association recommends that any animal in the last trimester of pregnancy not be brought to the fair. Sound animal husbandry requires that pregnant animals be given special care and the activities of the fair may produce unneeded excessive stress which may have a detrimental effect on the animal.
21. The Livingston County Agricultural Fair, Associations' Grievance Committee has authority to withhold premium money if any exhibitor breaks any rule in any class or division.
22. The Livingston County Agricultural Fair Association Board reserves the right to dismiss and send home any animal or exhibit that they deem to be unsafe or of danger to the exhibitor, fairgoers or property.
23. No exhibitors are allowed to stay overnight on the fairgrounds.
24. In order to add a class at the Junior Fair in **any** division there must be **5 (five)** Junior exhibitors who would exhibit in that class. If less than 5 (five) exhibit in a premium number, that class may be dropped the following year. All class changes will be at the discretion of the Livingston County Ag Fair Board.
25. If a 4-H member wishes to participate in the livestock sale, that 4-H'er must show and sell his/her own animal in the current Livingston County Junior Fair in the 4-H division unless there is a conflict within the fair schedule. If a 4-H member has a conflict and will be unable to be present to show or sell his/her animal, that exhibitor can request permission to have another 4-H member show and/or sell the animal. To request permission, the exhibitor must inform the Fair Board in writing prior to July 1st. Each 4-H exhibitor will be limited to selling only 1 animal, instead of the past practice of allowing 1 animal per specie. One animal only may be sold! Exhibitors do not have to sell a champion in a division.
26. **The Illinois Department of Agriculture personnel may collect blood or tissue or urine samples from any animal being exhibited and/or raced at any Illinois fair to test for the presence of illegal drugs.**
27. **All purebred livestock exhibitors must have registration papers in their possession at the county fairgrounds during the period the livestock is on the grounds. The Livingston County Agricultural Fair Association Board will have the right to request those papers at any and all times.**
28. **NO DOGS ALLOWED ON THE GROUNDS, IN ANY LIVESTOCK BARN, OR SHOWING AREA UNLESS THEY ARE PARTICIPANTS IN THE DOG SHOW AND THEN ONLY ON THE DAY OF THE SHOW. THE ONLY EXCEPTION WOULD BE FOR ASSISTANCE/SERVICE DOGS.**
