THERE WILL BE NO CHANGES AFTER THE DEADLINE AND NO CHANGES MAY BE MADE AT THE FAIR ON ANY PROJECT, ANIMALS INCLUDED.**

7. Anyone who wishes to participate in the Junior Fair, who is not a current Livingston County 4-H member, must be between the ages of 8 and 18 as of September 1 of the previous year and must purchase a Junior Exhibitor Pass.
8. To participate in the Ag Fair Livestock Sale, the 4-H member must be a Livingston County Community Club 4-H member and show the project in the corresponding 4-H project area at the current year 4-H show, and abide by all aspects of the General Rules and Regulations section in addition to the rules in the Ag Fair Livestock Sale Rules.
9. No stall fees will be collected for any livestock projects.
10. **All Livestock exhibits must be in place between 5:00 and 9:00 P.M. on Tuesday including poultry and rabbits. Do NOT bring your animals to the fairgrounds before 5 P.M., Tuesday. Junior Fair entrants whose parents are livestock superintendents may arrive and unload at the fair at 4:00 P.M. prior to the regular 5:00 P.M. entry time because of activities associated with their duties as superintendents.**
11. The time of judging for the various classes is listed under the rules for each class.
12. **No** exhibits will be released until after 3:00 P.M. on Saturday. Any exhibitor who removes their exhibits from any building before this time, without permission of the Livingston County Agricultural Fair Association Officials, will forfeit ALL premiums and trophies won. All livestock pens must be cleaned out and inspected by the superintendent before the exhibits are released.
13. All purebred animals shown will be registered in the name of the person making the entry, by June 1 of the current year. Registration papers will be checked by the livestock superintendent before the animal is exhibited.

16. All exhibits made by the exhibitors in the Junior Division will be placed first through sixth.
17. **Protest Rule:** All protests of eligibility of exhibitors or animals must be made in writing within twelve hours before department show begins, or within twelve *hours immediately following show*. All protests must be filed in person by the exhibitor filing the protest.
18. In order to promote the safety and welfare of all involved in and/or attending the Livingston County Junior Fair, **no traffic will be permitted in the building area of the grounds at any time during the 4 days of the fair.** All drives shall be open to serve as fire lanes in compliance with the request of the State Fire Marshal. Fire, emergency, police, and commercial food supply vehicles will be the only ones permitted to move within the building and exhibit area.

19. **No livestock trucks or trailers will be left parked on the fairgrounds during the duration of the Livingston County Junior Fair.** The removal of these vehicles is necessary to provide for parking during the duration of the fair, enhance the security of the fairgrounds during the fair, and make the 4-H Park an easier area in which to move and work during the fair. **No livestock trucks or trailers will be allowed behind the barns on Saturday until the sale is completed. This is a safety precaution for all fairgoers and exhibitors.**
20. The Board of Directors of the Livingston County Agricultural Fair Association recommends that any animal in the last trimester of pregnancy not be brought to the fair. 25. If a 4-H member wishes to participate in the livestock sale, that 4-H'er must show and sell his/her own animal in the current Livingston County Junior Fair in the 4-H division unless there is a conflict within the fair schedule. If a 4-H member has a conflict and will be unable to be present to show or sell his/her animal, that exhibitor can request permission to have another 4-H member show and/or sell the animal. To request permission, the exhibitor must inform the Fair Board in writing prior to July 1st. Each 4-H exhibitor will be limited to selling only 1 animal, instead of the past practice of allowing 1 animal per specie. One animal only may be sold! Exhibitors do not have to sell a champion in a division.
